## FROM THE STEERING COMMITTEE

The April SACWN meeting was a poignant representation of the incredible accomplishments of women that are so often overlooked or dismissed. We heard Sunniva Sorby talk about the hero's treatment received by the two British men who were at the South Pole at the same time as the American Women's Expedition (AWE). These men were rescued ten days after leaving the South Pole, too weak to continue on their journey.

In contrast, the four women in AWE were in excellent physical shape at the end of their 67 day ordeal. However, they received little press for their accomplishments and no corporate support. National Geographic gave them a mere mention and did not cover their herstorical journey "because National Geographic only does one Antarticia story a year, and they were supporting (financially ) another (male) expedition."

Sunniva told us that the Mayor of San Diego,

was outraged when she heard how the AWE women had been dismissed. She immediately called "Hill and Bill" and got a commitment that the American Women's Expedition would be invited to the White House for a much belated reception.

Sunniva confided that she is considering a return to Antartica in 1998. She spoke of her personal experience in a spiritual way, re-defining determination and making us believe that anything is possible. From her journey she found a "personal and profound reason to be" - something many of us struggle to identify.

The effort to pay off their debt from the trip continues. Contributions may be sent to AWE, 2921 Laurel Street, San Diego, CA 92104.

Join us in May for our comedy program featuring two very funny women, Liz Olsen and Mimi=Freed, from San Francisco. They will have you laughing at their crazy interpretation of our frequently crazy antics.

## SACWN CALENDAR FOR 1994

**Friday, May 20, 1994**

**Comedy with Mimi=Freed and Liz Olsen**  
Capitol Plaza Halls, Silver Room

Fresh, sassy and outrageous, we will welcome two of the brightest new comedians on the San Francisco Scene, Liz Olsen and Mimi=Freed.

Olsen was born in a small Midwestern town. After an unsuccessful bid at cheese farming, she decided to become a stand-up comic because she didn't want to work for a living and because comedy is the only field in which the ability to babble at length is a marketable skill. Says Liz, "I try to use my comedy not only to make people laugh, but to raise consciousness around world affairs and discount shopping opportunities."

Mimi=Freed is a stand-up comic and freelance journalist and acknowledges there's not much difference between the two. She thrills to pushing people's buttons and acknowledges that "fast forward" is her favorite. She has shared her subversive talent on Fox TV, MTV, CNN and the NBC Today Show.

**Friday, June 10, 1994**

### **SACWN LESBIAN FILM FESTIVAL**

*War on Lesbians* by Jane Cottis

*L is the Way You Look* by Jean Carlomusto

## MAY'S SUCCESSFUL SACWNITES

Whitney and Killick Financial Services is well known in the lesbian and gay community in Sacramento. Founders Cathy Whitney and Linda Killick, celebrating ten years in business, are our successful SACWNites for May.

Cathy Whitney was born in Nevada City. Her dad worked in the gold mines until WWII shut them down. The family then moved to Richmond and her mom became a "Rosie the Welder" in the war time effort. She graduated from Ceres High School in a small agricultural community, went to Modesto Junior College and then transferred to Sacramento State. "It was a dust bowl. I was in the second class to graduate from the current campus which at the time was quite naked." Cathy got her degree in Medical Laboratory Technology, married her husband and spent the next thirteen years as a homemaker. Faced with being a widow with three children, she went to work for Mercy Hospital, retiring two years ago after 25 years of service.

Linda Killick was born and raised in Sacramento, graduating from Encina High School. She too married, had a child and found herself a single mother. Linda followed her dream and studied to be a nurse, working as a licensed vocational nurse also at Mercy Hospital. Linda and Cathy met in the emergency room at that hospital. Says Cathy, "A mutual friend introduced us. She wanted me to help Linda meet other gay women. So I invited her to an 'over 35 potluck.' Linda was amazed at all the lesbians attending, but I never gave her a chance to follow-up with the phone numbers she collected that night. We started dating the next week, and that was fourteen years ago."

While working at Mercy Hospital, Linda was diagnosed with acute arthritis. She was wheelchair bound for several years. During that time, she recognized that she needed retraining. In 1982, she saw an ad for an H & R Block Tax School, but at first put it aside. Cathy decided she'd check it out. Before long they were both enrolled and learning all they could about taxes. And they haven't stopped learning since.

Cathy worked part-time for H & R Block, taking all the classes available and becoming an "enrolled agent." An Enrolled Agent is certified by the Internal Revenue Service after vigorous testing. "We are 'tax practitioners' able to represent clients before the IRS." Recently, after a three year program at Stanford, Cathy became a fellow of the National Tax Practice Institute.

Linda started her own business early on. "I had nine clients the first year, that tripled the second year, and again the third year, and I was in business." The tax work evolved and they both went to UC Davis to obtain certificates in "Personal Financial Planning." Linda then tested with the Securities and Exchange Commission and became a Registered Investment Advisor Agent for H. D. Vest Investment Securities, Inc. And to complete the "full service agency concept" last year Linda became a real estate agent.

Along the way, in 1987, Linda became the first staff person for SACWN, serving for five years as administrative assistant. Both Linda and Cathy have a long history of involvement in the gay and lesbian community. Cathy currently serves as Treasurer for the Sacramento Women's Chorus and Lambda Letters. In addition, they both sing with the chorus (Cathy is a second alto and Linda a second soprano).

Success to Linda is "being able to do what I like and like what I am doing, and get enough compensation to survive." For Cathy, success is "being happy with what you are doing. I enjoy being known in the community for both our professional work and our support of organizations. We both feel it is important to do something that helps people. To us, that's success."

## WHO WILL IT HURT WHEN I DIE?

*A Seminar on Probate and "Living" Trusts  
presented by*

**NAN GOODART**

You've seen her on Channel 10! You've heard her on The Tom Sullivan Show! Maybe you've read her award-winning book, *Who Will It Hurt When I Die? A Primer on the Living Trust*. Now come to this seminar-just for the lesbian and gay community-where Nan and her associate, lawyer Theresa Boschert, will answer your questions and tell you what you need to know about wills, probate and "death taxes," powers of attorney, and "living" trusts.

IF:

--you've been wishing for a way to blend your lives in a tangible, legally recognized way,

--writing a Will is about all the legal work you think you need to do,

--the story of Sharon Kowolski horrified you but you've done nothing to assure it won't happen to you,

--the "stuff" you own is worth more than \$60,000 before subtracting what you owe on it,

--you would like to help your parents plan so that taking care of them and their affairs will be as easy as it can be ... for them AND for you, or

--you wouldn't know a "living" trust from a dead one,

THEN DO NOT MISS THIS SEMINAR!!!

You do NOT have to worry and wonder, what if . . . ? Come and learn how you can use the laws as they are right now to protect and empower yourself and your loved ones.

WEDNESDAY, May 11, 1994  
7:00 to 9:00 p.m.  
Beverly Garland Hotel

The seminar is complementary, but space is limited. To assure a seat, or for further information, call 422-1404.

## SACWN SAYS...

**SACWN SINGLES REALLY CONNECT** - It is statistically amazing, but true. Many women meet their future partner when participating in the Singles Connection. Yet this wonderful group of women are so careful not to allow anyone to feel pressured into "coupling." It just happens. And it has happened again. The following is from Single's Facilitator, Angie:

*Cynthia has announced her happy partnership with Ann E. and will no longer co-facilitate the Singles Group. She has been a great person to work with and will be missed! Thank you to Cynthia for the hours of laughter and help in bringing together so many beautiful women for fun and friendship. Good luck my friend and you too, Ann E. Love is beautiful. I also, have entered into a wonderful relationship with a beautiful lady, Mary S. and will be leaving the Singles Group in August. Thank you SACWN, and the SIG Network. It really works!*

So, SACWN again is looking for a facilitator for the Singles Connection. Angie and Cynthia have done a wonderful job and have given so much of themselves to make the Group a success. Thank you to you both and much happiness!
